ACCIDENTS AT WORTH.

A crowd of flattering proportion was out to Worth yesterday, in fact, it was one of the largest Monday attendances in the history of the course. What otherwise would have been an excellent afternoon's sport was marred by mishaps to Don Domo and Golden Rule, both heavily backed favorites in their respective races. The leading feature of the card was the Evergreen Stakes, a five furlongs dash for two-year-olds with \$1,500 added. Of the six scheduled to start, all dodged the issue but Don Domo, Patsy Brown and Jerry Lynch, the latter two being coupled in the betting as the F. T. Wood entry. Don Domo on the strength of his splendid form at Worth was regarded as almost a moral by the talent and was well backed at 1 to 2. To a good start Patsy Brown, closely attended by Jerry Lynch, went to the front, but just after the barrier arose Don Domo crossed his legs and fell, throwing his jockey. When he got to his feet the bride got tangled up under his right fore arm and he ran away for six furlongs before he was stopped. Patsy Brown and Jerry Lynch cantered over the course in close company, the former winning on suzerainty by a head. The stake was worth \$1,640 to the winner.

In the fifth race, a free handicap at seven furlongs for three-year-olds and upward, Golden Rule, the even money favorite and heavily backed, wheeled when the barrier went up and refused to move being left standing still. To a somewhat poor start Autumn Leaves dashed to the front and opening up a big gap while running down the backstretch appeared to have the race well in hand, but just after turning for home she began to bear out and despite Robbins' efforts to keep her straight kept sidling toward the outside rail. In the last sixteenth Dr. Stephens, under a powerful ride, gradually wore her down reaching the wire just by a half length, Autumn Leaves beating Uranium four and a half for second place. The seven furlongs was negotiated in 1:26, which is within three-fifths of a second of the track record.

The day's opener, a five-furlongs dash for two-year-olds, was regarded by almost all present as a foregone conclusion for Lady Free Knight. She was made an 11 to 10 favorite and certainly won as the odds indicated she should. Off well in her stride, she dashed to the front and opened a gap of three lengths. In the last sixteenth Henry eased her up, winning by one length from Ed Guinzburg, which beat Belle Juan one for second place. Ed Guinzburg ran in improved form, coming with a rush at the end and easily wearing down the tiring Belle Juan. The latter showed speed and bears watching hereafter. Ellie, well thought of by a wise few, ran a somewhat dull race. Jerry Flanagan appears to be of little present account.

The Forum, on the strength of his last good showing, was made a slight favorite over Automaton in the second race, a sprint of six furlongs for three-year-olds and upward, and rewarded the confidence placed in him by winning in handy fashion. Off well in his stride to a poor start, he ran Optional into submission in the first five furlongs and then came away easily, winning by one length from Automaton, which beat Optional the same distance for second place. Automaton finished going fast and had little

trouble in wearing down Optional in the closing strides. Theory, as usual, showed speed, and as usual tired fast when the pinch came.

The third race, a dash of once around the track, for three-year-olds, brought a field of nine to the post. Our Bessie was made the favorite, being held at 3 to 1. Irene Mac led by a fair margin up to the head of the stretch, where Our Bessie and Safeguard closed up on her. She tired fast when a furlong out, leaving Our Bessie and Safeguard to fight it out, the former winning by one length, with Irene Mac an indifferent third. Pirate and Memphian showed some early speed.

The last race of the day, a dash of one mile and seventy yards for four-year-olds and upward, went to Alfred C., which ran an impressive race, running the distance in the fast time of 1:44, showing much speed throughout. He led from start to finish, but had to be hustled at the end to stall off Baird's determined challenge. He won by a head, Baird finishing three and one-half lengths before Frank M. for second place. Bluemint, backed from 40 to 10 to 1, ran well for about six furlongs.

THE LATONIA DERBY.

The Latonia meeting opens Wednesday with the Latonia Derby, the magnet relied upon to attract a great attendance. Concerning the probabilities of the race, the Cincinnati Commercial-Tribune of Monday said:

"The starters that are figured on are Judge Himes, Bad News, Sailor's Dream, Tancred, Gold Bell, Woodlake, Bourbon, Treacy, McGowan, Tom Hall and Dan McKenna. Oots Bros. have three in, in First Mason, Novelist and Moyle, but it is doubtful if any one of the trio will go to the post, as they are not ready to go the route. Jim Baker has two in Artist and Luigart, and will send one to the post, depending on the condition of the track. Artist is the one that will do the stunt in case the track is heavy.

"George Bennett has several eligibles, and, on the form that Au Revoir showed recently at Worth, it would appear that he had a royal good chance to land the \$8,000. E. Corrigan has three besides McGowan that could go, but it is expected that the son of Riley will carry the green and white sash in the Derby.

"P. Dunne's Rampooza has loomed up as a possibility in the last few days, and he may be sent on to set the pace for the Corrigan entry, if for nothing more. E. W. Fitzgerald has Lansdown, a pretty shifty son of Russell in his barn that he is undecided about. Lansdown won several races at San Francisco during the winter, but not over a route of ground. Gorman & Bauer's Bardolph is going good again, but it is almost out of the question of starting him after the let-up he had in training.

"Rome Respass has a trio of eligibles in Bernays, Redcliffe and Collonade, but it is almost a certainty that they will not be ready by Wednesday to go the route. The fact that Barney Schreiber has asked for stable room makes it appear as if he might send either Mindora or Lacy Crawford to the post. Besides Gold Bell, Schorr has Rightful left, but it is very questionable if that colt will be shipped here from the east. It is almost a certainty that he will not. T. McDowell, it is expected, will send only one of

Time, 2:48.
Winner—B. g, by St. Andrew—Marian (trained by G. Tompkins).
Went to post at 2:30. At post 5 minutes. Start good. Won in a canter; second easily. Arian indulged Ohnet with the lead until straightened out on the long incline home, where he cantered to the front winning impressively at the end. Ohnet was much the best of the others even after having speeded a half mile in a false break and is a much improved horse, but was not equal to conceding the weight set to the winner. Draughtsman as easily held third position from start to finish and in soft going should give a good account of himself. Seminole displayed improved speed today after getting away poorly. He failed, however, in the last sixteenth and probably sulked and is a bad horse. Imperious went half the journey well, but lost too much ground at the hurdle on the backstretch to ever get into contention again.

Corrected weights—Seminole, 149.

Overweights—Victor, 5 pounds.

Ohnet, show, 3 to 5. Draughtsman, show, 4 to 1.

Time, 52.
Winner—B. c, by Puryear D.—Hazel Mac (trained by W. L. Oliver).
Went to post at 3:00. At post 2 minutes. Start good. Won driving; second easily. Hazelwood showed fine speed and outstayed Dimple after a long level stretch drive and Adams clearly outfinished O'Neill. The \$20,000 filly drew clear in the last furlong and seemed like the winner, but unexpectedly succumbed in her last stride or two. Monadnock, which had been gamely striving for the lead from Dimple, tired only at the very end. Tepee also went well.

Scratched—38878*Nameoki, 110.

Overweights—Tepee, 2 pounds.

Winner—Br. c, by Clifford—Garoga (trained by J. L. McGinnis).
Went to post at 3:30. At post 3 minutes. Start straggling. Won easily; second the same. Tribes Hill is steadily improving and from a lucky start practically forced the pace throughout, coming away fast in the last furlong. Baikal displayed a superior turn of speed and is a good looker. The race was confined throughout to the first two. Syrlin, away last, raced wide around the big field to the stretch, where he swerved over to the rail and was pocketed for another furlong. He was pulled up repeatedly and finished fast under a very bad ride and must have been much the best. He is reported to have pulled up lame in recent trials, but gave no evidence of it, although his near foreleg was heavily bandaged. Morokanta, best in mud, made a fair showing and was only beaten out for third place in the last stride. Scoffer was interfered with on the stretch turn and was gaining fast at the end. Mary Worth, in good form, but probably short, was prominent for six furlongs. Agnes D. closed a big gap.

Scratched—35928 Bonus, 110; 38882 Petit Bleu, 88.

Overweights—Mary Worth, 3 pounds; King Carter, 2; Raglets, 1.

Tribes Hill, show, 3 to 5. Baikal, show, 6 to 5. Syrlin, show, 3 to 5.

THE LATONIA DERBY.

(Continued from first page.)

his to the post, and it is expected to be Bourbon, though he is apparently pointing Woodlake for the stake. It can be seen, therefore, that Secretary Hopper's claim for ten starters for the Derby is based upon a possibility of sixteen. With any ten that are mentioned as starters it ought to make a pretty good race, both from a spectacular and betting standpoint. There does not appear to be much difference between the entire lot, though it is more than likely that

Judge Himes will be the favorite, providing that Au Revor does not start.

"The Derby fields in the past have been small. The number of starters averages a little over four for the twenty years. The most notable contest was when the great race mare, Los Angeles, won it after running a dead heat with White, and then beat the colt in the run-off. The largest field was the one in 1893, when Buck McCann beat Boundless, which subsequently won the \$50,000 World's Fair Derby. But five of the twenty Derbys were decided on a fast track, and it is to be hoped that the percentage will be on the right side today."

NOTES OF THE TURF.

Hernando has been given preparation for the Hawthorne Handicap, which will be run on the opening day of the Chicago Jockey Club meeting Saturday next. His weight is 119 pounds, and in his work all spring he has done all which has been asked of him. On Saturday morning he went a mile in company with the imported horse Red Comyn, and covered the distance in 1:43. Hernando has been backed in the winter books by his owner to win this stake.

Senator Morrison, a bay colt three years old, by St. Saviour—Fredericka, owned by C. R. Ellison, died at Louisville Sunday morning of stomach trouble. The colt has been sick for a week or more and was supposed to be getting well. The hot wave which set in caused a turn for the worse, however, and he died.

L. V. Bell has sold the crack four-year-old Hermis to E. R. Thomas for the reported price of \$60,000. It is a notable transaction and shows that the new-comer on the turf is not disposed to chaffer over the price when he wants a horse.

C. N. W., Chicago. McChesney's fastest record at a mile was made when as a two-year-old, carrying 80 pounds, he won in 1:39 at Hawthorne September 2, 1901.

C. W., Chicago. As Rankin did not start he could not be coupled with Huzzah in the betting.

E. M., Chicago. If your statement of the case is correct, your parlay should win \$9.

LOCAL TURF GOSSIP.

Ed Corrigan's string of horses, consisting of sixty-five head, arrived at Hawthorne from Louisville Sunday night. Jockey J. Reiff, who rides for the stable, is expected to arrive today.

J. C. Milam & Co.'s Owenton, which was considered a formidable candidate in the handicaps to be run on the local tracks this season, has again gone amiss, and was blistered last Sunday on one of his front legs. His ailment this year is practically the same as that which caused his retirement as a three-year-old, when his chances of winning the American Derby appeared to be as good as any of those entered. Should he again be a starter in a race, it will not be until late in the fall.

E. R. Bradley arrived yesterday at Hawthorne from Louisville with Banana Cream, Red Hook, Merry Pioneer, Common Bird and five others.

The horses of Tholl Bros., J. A. Johnson and W. A. Maginnis & Co. were shipped yesterday to Latonia, where they will be raced at the coming meeting.

W. H. Jackson, owner of Belle Meade, was among the visitors at the Worth track yesterday and took keen interest in the racing. He stated that at present there are thirty-eight weanlings at his place, of which eleven only are fillies, and that fifteen of the youngsters were sired by the noted stallion The Commoner.

Jockey Birkenruth's ride on Patsy Brown in the Evergreen Stakes was condemned by nearly all the horse owners at the track, and owner Wood was in anything but a happy mood after the race. Everyone fully expected to see Birkenruth ease Patsy Brown up after the mishap to Don Domo and permit Jerry Lynch to win, thereby saving the maiden allowance for Patsy Brown the same as Dominick did when he rode the colt in the Admiral Stakes last Thursday. But instead of easing the colt up and permitting Jerry Lynch to win, Birkenruth sat down and rode the colt vigorously in the last twenty yards, which made him pass under the wire first, losing for the colt not alone a maiden allowance, but forcing him to be penalized for being a stake winner.

Don Domo crossed his legs soon after the starter released the barrier and fell, and while attempting to arise he stepped on his bridle and the reins slipped under his fore

arms causing him to jump on his quarter and cut it with every stride he took in an attempt to overhaul the field. In addition to cutting his quarter his fore arms were considerably bruised from coming in contact with the buckle on the bridle reins. Owner Newman expressed it as his opinion that it would be some time before the horse was again in condition to race.

Golden Rule wheeled as the barrier was released and was left standing at the post in the fifth race. He will in future not be permitted to start at the Worth track on account of his actions at the post.

This Week

there are several long ones scheduled to go through which I will know of and which I will wire to all my clients. They are not 50 or 100 to 1 shots, for only dreamers get those, but their odds will average from 3 to 10 to 1 and, unlike the dreamer's tips, they will win unless prevented by some unavoidable accident. If you are playing the races don't waste your money playing long shots which never win. Send me your name and address and I will wire you my specials to reach you by twelve o'clock noon day of the race. All I ask for my information is that you bet \$2.00 for me on my special and send me the winnings.

IF YOU WANT REAL INFORMATION

come to me and I will put you on. Address

It was a virtual canter for the entry as Don Domo crossed his legs the minute the barrier went up and threw his rider. Dr. Stephens, under a hard drive, gradually wore down Autumn Leaves in the final sixteenth and got up in time to win in the final strides. Autumn Leaves showed great speed, but kept bearing out in the final eighth and Robbins was too weak to keep her straight. Uranium was always outrun.

 Winner—Ch. f, by Hastings—Lady Rosemary (trained by J. Boden).
 Went to post at 4:00. At post 5 minutes. Start straggling. Won driving; second easily.
 Rosent's victory was a brilliant one. She forced a terrific pace throughout breaking the track record and appeared to be winning very easily when a furlong out, but was brought to a hard drive to beat Lux Casta. The latter, away poorly, was forced to undue early exertion to race into a contending position and closed up suddenly with an unexpected rush, but could never quite get up, yet ran a remarkable race at the weights. Lady Uncas held on in improved fashion and was a lucky third. Extinguisher, evidently a slow beginner, commenced to overhaul the leaders very fast when straightened for home. Sergeant, evidently short, was crowded to the rail in the first quarter and hopelessly pocketed. With clear sailing in the stretch he loomed up a dangerous contender, but tired right at the end and should improve vastly. Royal and Clarion tired and quit in the stretch, but got away poorly.

 Went to post at 4:30. At post 2 minutes. Start good. Won in a canter; second driving.
 Yardarm far outclassed the field, but had to be much the best to win. He was choked and messed about and repeatedly interfered with, but in spite of an incompetent ride he overcame it all and with clear sailing in the last furlong came away from his field like a flash. Young Henry trailed the others to the stretch, where he wore them down one by one and was an easing up second. Dr. Saylor, always a prominent contender, appeared like having a winning lead for second place at the end of seven furlongs. Ilyria made the pace to the stretch only on sufferance. New York was with great difficulty restrained and the choking he got exhausted him. Sprinting is, however, his game.

 Hunter Raine followed Carbuncle to the stretch, where he gradually wore him down, winning going away and at the weights was best. Carbuncle made the early running at a slow pace and was decisively outrun down the hill by the winner. He stuck to his work gamely, but showed signs of failing in front for the first time. McWilliams moved up fast when a furlong out, but was outclassed. Carroll D. retired early and was prominent only while the pace was slow.

Scratched—38955 Andy Williams, 126.
 No show betting on first three.

 Miss Mae Day was practically left at the post, but took after her horses, made up ground gradually, came fast in the stretch and won as her rider pleased. Sir Christopher ran a surprisingly good race in his new owner's hands. Waldo gave Bengal a poor ride, took him

back at the three-eighths post and let his head drop at the finish. He could not have been worse than second with a good ride. Mattie Spencer ran well to the stretch and tired.

Scratched—37955 Mynheer, 106; (39015) Style, 90.

 Cursus is an improving colt, ran well and stayed best. He was well ridden and given a good finish. Pettjohn ran a good six furlongs and hung on gamely to the finish. Dr. Kier was next to the rail behind Pettjohn and inside Cursus all the way, was in close quarters all through the stretch and came fast under a weak ride when he got an opening in the last hundred yards.
